County:
Country:
Telephone (No Free Call Number):
Facsimile:
E-mail:
Website:
VAT Number*:

* Should your company not provide us with a valid UK VAT number then a 19% tax charge will be added to your invoices.

Invoice

Invoices are issued on the 1st of each month for the leads sent within the previous month. Each month you will receive a copy of your invoice charges via e-mail and by normal post. To allow you to audit your invoice charges, we'll send a detailed statement of each request charged to your inbox.

You will be invoiced for each quotation request that you receive for the price that is reflected in your application and agreement form. Should you invoices fail to reach you and be returned to us or should your direct debit fail, your account will be automatically suspended. Tellus BV reserves the right to review and alter the quotation prices annually on January 1st. I understand and accept the pricing structure on page 3 and 4. All prices are in GBP.

Mode of Payment

I hereby authorise Tellus BV to debit the bank account provided on page 6 for subsequent monthly invoiced amount(s) in relation to my company's participation on Tellus' website(s).

Risk Assessment

Your application is subject to a risk assessment (credit check) before activation on our website(s). Should your company not successfully complete our risk assessment then an account manager will be in contact with you to discuss a course of action.

Debt Collection

Should your account remain in arrears for more than 30 days your account and any outstanding invoices will be sold to a debt collection agency. All additional fees and charges added to your invoiced amount by the credit management agency are payable by your company.

Claims

A quotation request (lead) can be claimed should the contact information (both telephone and e-mail) from the requesting party be faulty or incorrect. Such a lead must be reported in writing to the Account Manager within 5 working days.

All claims must be returned before the last business day of each month so that they can be deducted from that invoice period. If we receive claims after this time, they will not be process until the following invoicing period.
